Summer Art Camps provide children with creative fun ways to engage their imagination through visual art activities. Hinovations Art Gallery offers plenty of cultural stimulation. As kids create art, they will explore ideas, learn art vocabulary, and experiment with a variety of media as well as gain knowledge about other cultures and their art. Each Session is thematic and taught by professional artists and teachers, in a positive and nurturing environment.

## Art Around the World with Raquel Hinojosa

**Rivers of the World** Students will become familiar and learn about "Rivers" and their diversity, the eco-system, their culture and other characteristics that make that zone special. Students will explore their creative side by using different media as they Draw and Paint on paper. They will create original works of art related to Ten Rivers we have chosen for the Summer of 2022.

Students will create Egyptian Art as they learn about the Nile River. They will create paintings of Steamboats and endangered animal species as they learn about the Rio Grande or Big River. They will work on Animals paintings as found along the Congo. This Summer is about Adventures or ARTventures at Hinovations Art Gallery.

## Japanese Pop Art with Raquel Hinojosa

Students who sign up for these workshops, will learn a modern Japanese art method called "Superflat". Japanese artist, Takashi Murakami, created this method which refers to various flattened forms in Japanese graphic art, animation, pop culture and fine arts. Students will become familiar with this modern method as they create original works of art inspired by two popular Japanese artists, Takashi Murakami and Yayoi Kusama.

## **Classic Hot Rods Cartoon Painting**

with *Lupe Hernandez*

Hot Rods are typically old, classic or modern American cars that have been rebuilt or modified with large engines modified for more speed and acceleration. These workshops will concentrate on several vehicles dating from the 1950's to the 1960's.

Students will use pencils to modify the vehicle to make it look like a cartoon and then paint it using acrylics on canvas. These are fun classes for kids that want to sharpen their drawing and painting skills and learn about classic rides.
